To Whom It May Concern:

The Vietnam Veterans of America (VVA) Chapters throughout Wisconsin, would like you to welcome Mr. Steven Pape on their behalf.

Mr. Pape is working on behalf of the VVA Wisconsin State Council (WSC) which represents 25 VVA Chapters in Wisconsin and their individual members as well as hundreds of Vietnam Veterans in Wisconsin who are At-Large (i.e., no direct VVA Chapter affiliation).

VVA WSC, an IRS 501(c)(19) non-profit, is working on behalf of the VVA WSC to raise funds in order for VVA WSC to assist Vietnam Veterans, their families and extended families through...

- Veteran-centric education (e.g., Effects of Agent Orange, Herbicides, other Toxins, etc.) aimed at the Vietnam Veteran and his or her immediate and extended family (i.e., children, grandchildren, etc.)
- Scholarship opportunities through the Vietnam Veterans of America Wisconsin State Council – Richard T. Nuske Scholarship Program, specifically aimed at those individuals seeking post-secondary education whose immediate or extended family member(s) is a Vietnam Veteran

Please welcome Steven as the VVA WSC representative seeking new avenues of opportunity for our Vietnam Veterans.

Sincerely,

Richard W. Lindbeck, President
