Chapter 351 Appleton, Wi. State Council Report

We have 158 members, our valentine's Day Dinner had over 100 folks attend, including a WW11 Veteran, our CVSO and several Gold Star families.

Our Reflections of Vietnam Program is scheduled for 10 high schools and 11 private venues, including The Moving wall in Manitowoc and several AM Legion Posts celebrating their 100th year. Our white uniform shirts will be ready for all our Missions.

We're scheduled for two parades this year, our Parade Trailer is a huge success, we have been loaning it to other Veterans Clubs in the area.

Our AVVA is in its infancy, and they're starting to assist us in our endeavors.

Our Reflections of Vietnam Education Program will be in The Veteran Magazine shortly, look for it.

We had an information booth at the annual "Connect to Courage" educational event on 3-13-19. Four members were active committee planning members. Multi organizational.
