

Chapter 351 Appleton, Wi. Activities, 15 June 2019

@ Brillion, Wi. 0925 hrsP

We have 161 members.

Our Reflections of Vietnam program had 14 Missions this spring, we have four fall Missions to complete. Our schedule's already filling up for next year and we're adding new venues all the time. The VVA VETERAN Magazine had a write up about our EDU program.

We had one member participate in the Old Glory Honor Flight's trip to Vietnam.

Our Orange Blossom fundraiser at eight stores, raised \$19,000, we also received \$1,700 from two local businesses.

We finally have our white uniform shirts, to be used at all events in which the Chapter participates.

Our AVVA is scheduling Nursing home visits at area facilities. We have three /four Veterans visit with the Veterans housed there.

We're joining Old Glory Honor Flight in a fundraiser at ATW (Appleton Airport) on August 10th, they have a PLANE PULL with teams of 20 employees, from local companies competing for time and distance pulled. The donation per team is \$1,500. We donate that amount to them yearly, so I suggested we attempt this endeavor, since quite a few of the membership have taken the flight. We, Chapter 351 will have a team of Veterans participate, it's just for exposure, we will not be graded on time or distance, perhaps a good thing.

For the membership, June, July and August, is their stand-down time, as our next Chapter meeting's in September. The officers and BOD are still meeting on a regular monthly basis.

Happy summer to all, Larry Cavanaugh. Pres. VVA Chapter 351 Appleton, Wi.

A handwritten signature in cursive script, appearing to read "Larry Cavanaugh".
