

CHAPTER 448 REPORT

We started our Brat Fry Season on April and at this time have held two. The weather was somewhat cooperative as the rain held off. There will be another June 29 in Newburg.

May 18 we did the first of two Orange Blossom Sales in /West Bend. This has always been a good fund raiser for the chapter. Our next one will be September 21 in West Bend. At that time there will be a new Fleet Farm in West Bend and that should be a great help for us.

The Chapter has been participating in various parades around the Washington County area. We also have assisted the Newburg Fire Department with their annual Fireman's Picnic by bartending for them. The Fire Department is where the chapter meets and they do not charge us for the use of the hall. This is one way that the chapter reciprocates.

July 13 will be our annual Chapter Picnic and this has always been a good time to keep in touch with our members that cannot make the meetings or other functions.

There will be several members attending the National Convention in Spokane in July. This will be a significant convention as there are national officer elections and a presentation on the future of VVA.

Have a Good and Safe Summer
